never felt so good.

Wheaton offers peace-of-mind for NASMM members and their clients.

Whether your client is downsizing or simply looking for a change in scenery, Wheaton World Wide Moving can make their new beginning easy and hassle-free. After all, Wheaton is the only company to earn the Good Housekeeping Seal for interstate moving – every year since 1964. We're also the Official Movers of Steinway & Sons Pianos.

It's that experience that helped us create these exclusive benefits for NASMM members – designed to let your customers relax while Wheaton moves their life. When your clients move with Wheaton's NASMM benefits, they receive:

- Up to \$50,000 of free Replacement Value Protection (RVP). We provide full coverage protection with no deductible up to \$50,000, which provides for replacement or full repair of any items damaged in transit.
- Guaranteed on-time pick-up and delivery. If a pick-up or delivery is late or delayed, Wheaton will pay up to \$250 per day for each late day, up to the amount of the transportation cost.
- Competitive pricing with no seasonal price adjustments or restrictions.

- Guaranteed price. Our quoted price for the services requested based on an in-home survey won't vary – even if the estimated weight of your shipment differs from the actual weight (Per our Binding Estimate Price tariff item).
- Guaranteed claim settlement within 30 days of receiving your claim form. In the unlikely event that a claim must be filed, Wheaton will resolve it promptly. In fact, we will pay the customer \$25 per day, for every day the claim is delayed, up to \$250.

**NASMM member benefits and guarantees apply only to interstate moves.*
